

THE GREAT PENGUIN BATTLE

Little Blue Penguin

NINJA PENGUIN

Plop! Little Blue Penguin threw his fishing rod into the lake. A few minutes later, a great big flapping fish fell onto his lap.

“Yum!” Little Blue Penguin shouted. He ran back to his igloo to show his mother.

“What a delicious cod!” his mother exclaimed.

“Go catch more fish!”

But on the way to the lake, Little Blue Penguin saw his enemy, Chop Chop Ninja and his terrifying army!

“Want to battle?” Chop Chop said.

“Little Blue Penguin Army - attack!” An army of 150 penguins rushed to Little Blue Penguin and formed a triangle. The two enemies stepped

forward as Chop Chop’s army formed a triangle, too.

“Ready! Let’s battle!” Chop Chop screamed.

“Go Blue Penguin army!” “Go Chop Chop army!” The leaders screamed.

The armies battled for ages.

“Chop Chop Ninja knife!”

“Little Blue Penguin enemy shrink!” Chop Chop and his army shrank down to 20 centimeters (30 centimeters shorter than Little Blue Penguin)! That made it easier for Little Blue Penguin to attack.

When the big battle was over, Little Blue Penguin invited his whole army to come for a feast in his igloo. There were fish cake, steamed fish and fish fingers - anything fishy a penguin can imagine!
